If you have sold or otherwise transferred all of your shares, please pass this document together with the accompanying documents (except for any personalised form of proxy) to the purchaser or transferee, or to the person who arranged the sale or transfer so they can pass these documents to the person who now holds the shares.

A proxy need not be a member of the Company. To be valid, any form of proxy or other instrument appointing a proxy must be received by post or (during normal business hours only) by hand at the Company’s registrar, at the address shown on the form of proxy, through the Company’s electronic proxy appointment service (available via <https://www.signalshares.com>) or in the case of shares held through CREST, via the CREST system, in each case by no later than 11:00am on Friday 31 May 2019.

3 April 2019

Dear Shareholder,

Notice of Annual General Meeting 2019

I am pleased to inform you that the Company's Annual General Meeting (the 'AGM') will be held at the offices of Allen & Overy LLP, One Bishops Square, London, E1 6AD on Tuesday 4 June 2019 at 11.00am.

The formal Notice convening the AGM is set out on pages 3 to 5 of this document. An explanation of each of the resolutions to be proposed at the AGM is set out on pages 6 to 8. This year's meeting includes all the standard AGM business transacted every year. In addition, we are seeking approval of a new Directors' remuneration policy, full details of which are given in the 2018 Directors' Remuneration Report. To support the implementation of this policy, we are also seeking approval for a new Deferred Share Bonus Plan, a summary of which can be found in Appendix 1 to this document.

There will be an opportunity for you to ask questions at the AGM.

Voting Arrangements – Action to be taken

If you would like to vote on the resolutions but will not be attending the AGM, you may appoint a proxy by completing and returning the enclosed Form of Proxy in accordance with the instructions printed on it. Forms of Proxy should be returned so as to be received by the Company's Registrar, Link Asset Services, at PXS, 34 Beckenham Road, Beckenham, Kent BR3 4TU as soon as possible and in any event no later than 11:00am on Friday 31 May 2019.

Alternatively, you may appoint a proxy electronically via <https://www.signalshares.com> by following the instructions on that website or, if you hold your shares in CREST, via the CREST system. Please note that all proxy appointment forms should reach the Company's registrar, Link Asset Services, by no later than 11:00am on Friday 31 May 2019.

If you hold your shares through a nominee service, please contact the nominee service provider regarding the process for giving voting instructions.

Poll voting

Each of the resolutions to be considered at the AGM will be voted on by way of a poll. This ensures that shareholders who are not able to attend the AGM, but who have appointed proxies, have their votes fully taken into account. The results of the polls will be announced to the London Stock Exchange and published on the Company's website as soon as possible after the conclusion of the AGM.

Recommendation

The Board considers that Resolutions 1 to 20 are in the best interests of the Company and its shareholders as a whole and recommends that you vote in favour of such resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Yours faithfully,

Penny Hughes

Chairwoman

Explanatory Notes to the Notice of Annual General Meeting

Resolutions 1 to 16 are being proposed as ordinary resolutions. For an ordinary resolution to be passed, a simple majority of the votes cast must be in favour of the resolution.

Resolutions 17 to 20 are being proposed as special resolutions. For a special resolution to be passed, at least 75% of the votes cast must be in favour of the resolution.

Resolution 1 – To receive the Annual Report and Accounts

The Directors are required to present the Company's Annual Report and Accounts (the '2018 Annual Report') to the AGM.

Resolution 2 – To approve the Directors' Remuneration Report

Under the Companies Act 2006 (the 'Act'), the Directors must prepare an annual report detailing the remuneration of the Directors for the previous year including a statement by the chairman of the Remuneration Committee. The Act also requires that a resolution be put to shareholders each year for their approval of that report. The annual statement can be found on pages 48 to 52 of the 2018 Annual Report and the Annual Report on Remuneration can be found on pages 59 to 65. Resolution 2 is an advisory vote only and the Directors' entitlement to remuneration is not conditional on it.

Resolution 3 – To approve the Directors' remuneration policy

The Act also requires that a resolution be put to shareholders to approve the Directors' remuneration policy which appears on pages 53 to 59 of the 2018 Annual Report. This is a binding vote and, after the policy takes effect, the Company will not be able to make a remuneration payment to a current or future Director or a payment for loss of office to a current or past Director unless that payment is consistent with the approved policy or has been approved by a resolution of the shareholders of the Company. If Resolution 3 is approved, the policy will take effect from the date of the AGM. Shareholders will be given a binding vote on the Directors' remuneration policy at least every three years.

Resolution 4 – Final Dividend

The Board proposes a final dividend of 0.95 pence per share in respect of the year ended 31 December 2018. If approved, the recommended final dividend will be paid on 14 June 2019 to all ordinary shareholders who are on the register of members on 24 May 2019. The shares will be marked ex-dividend on 23 May 2019.

Resolutions 5 to 11 – Election and re-election of Directors

The Company's Articles of Association require all Directors to retire at each Annual General Meeting and those wishing to serve again to submit themselves for re-election. Accordingly, Penny Hughes, Paul Gilbert, John Treharne, Richard Darwin, David Kelly and Emma Woods are retiring from office and are submitting themselves for re-election by the shareholders at the 2019 AGM. Mark George, who was appointed to the Board during 2018, is submitting himself for election by the shareholders at the 2019 AGM.

The Board believes that each Director should be elected or re-elected as they each have the requisite skills and experience, and demonstrate the necessary commitment, to contribute effectively to the deliberations of the Board. Additionally, the Chairwoman has confirmed that, following the formal performance evaluation, the performance of each Director continues to be effective and demonstrates commitment to the role. Separate resolutions are proposed for each Director in accordance with the Company's Articles of Association. Biographical details of each of the Directors appear on pages 38 and 39 of the 2018 Annual Report, which, in the Board's view, illustrate why each Director's contribution is, and continues to be, important to the Company's long-term sustainable success. Biographies are also available for viewing on the Company's website www.tggplc.com.

Resolutions 12 and 13 – Re-appointment and remuneration of auditors

The Board, on the recommendation of the Audit and Risk Committee, is proposing the re-appointment of Ernst & Young LLP. Resolution 13 gives authority to the Audit and Risk Committee to determine the auditor's remuneration.

Resolution 14 – To authorise the Company to make political donations and incur political expenditure

Under the Act, political donations to any political parties, independent election candidates or political organisations other than political parties, or the incurring of political expenditure, are prohibited unless authorised by shareholders in advance. Aggregate donations made by the Group of £5,000 or less in any 12-month period will not be caught.

As the legislation is capable of wide interpretation, the terms 'political donation', a 'political party', a 'political organisation' or 'political expenditure' are not easy to define. For example, sponsorship, subscriptions, payment of expenses, paid leave for employees fulfilling public duties, and support for bodies representing the business community in policy review or reform, may fall within the scope of these matters.

Therefore, notwithstanding that the Company has not made a political donation in the past, and has no intention, either now or in the future, of making any political donation or incurring any political expenditure, the Board has decided to propose Resolution 14 in order to allow the Company to continue to support the community and put forward its views to wider business and government interests without running the risk of the Company or its subsidiaries inadvertently breaching the Act through the undertaking of routine activities.

As permitted under the Act, Resolution 14 also covers any political donations made, or political expenditure incurred, by all subsidiaries of the Company at the date on which this resolution is passed or at any time when this resolution has effect. Resolution 14 caps the amount of all forms of political donations and expenditure that the Company and its subsidiaries would be permitted to make at an aggregate of £50,000 and the authority will expire on the earlier of 30 June 2020 and the conclusion of the Annual General Meeting of the Company to be held in 2020.

Resolution 15 – To authorise the Directors to allot Ordinary shares

At the Annual General Meeting held in June 2018, shareholders authorised the Directors, under section 551 of the Companies Act 2006, to allot shares without the prior consent of shareholders for a period expiring at the conclusion of the 2019 Annual General Meeting or, if earlier, at the close of business on 30 June 2019. It is proposed to renew this authority and to give the Directors authority to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company without the prior consent of shareholders until the conclusion of the next Annual General Meeting of the Company after the passing of the resolution, or, if earlier, at the close of business on 30 June 2020. Resolution 15 will be proposed as an ordinary resolution.

Paragraph (a)(i) of Resolution 15 will allow the Directors to allot Ordinary shares up to a maximum nominal amount of £4,601.72 representing approximately one third (33.33%) of the Company's existing issued ordinary share capital and calculated as at 3 April 2019 (being the latest practicable date prior to publication of this document). In accordance with institutional guidelines issued by the Investment Association, paragraph (a)(ii) of Resolution 15 will allow Directors to allot, including the Ordinary shares referred to in paragraph (a)(i) of Resolution 15, further of the Company's Ordinary shares in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to a maximum nominal amount of £9,203.44, representing approximately two thirds (66.67%) of the Company's existing issued ordinary share capital and calculated as at 3 April 2019 (being the latest practicable date prior to publication of this document).

The Directors have no present intention of exercising this authority. If the Directors do exercise the authority, they intend to follow best practice as regards its use, as recommended by the Investment Association. The Company undertook an equity placing on 13 June 2018 which was used to part-fund the acquisition of 13 Gyms from easyGym. Further details of the placing can be found on page 68 of the Company's Annual Report and Accounts.

As at 3 April 2019, the Company held in treasury: (i) no Ordinary shares, and (ii) 48,050 non-voting Deferred Ordinary shares of £1 each.

Resolution 16 – Deferred Share Bonus Plan

Resolution 16 is a resolution to approve the Gym Group Deferred Share Bonus Plan ('DSBP') for any current or former employee (including an Executive Director) of the Company and any of its subsidiaries at the discretion of the Committee.

The principal terms, including the individual and plan limits and malus and clawback provisions, and details of the proposed operation of the DSBP are summarised in Appendix 1 to this circular on pages 12 to 13.

The rules of the DSBP are available for inspection at the place of the AGM from the date of this circular until the close of the AGM during normal business hours.

Resolutions 17 and 18 – To authorise the Directors to disapply pre-emption rights (special resolutions)

Also at last year's meeting two separate special resolutions were passed, under sections 570 to 573 of the Companies Act 2006 and in line with institutional shareholder guidelines, empowering the Directors to allot equity securities for cash without first being required to offer such shares to existing shareholders. It is proposed that these authorities be renewed as set out in Resolutions 17 and 18.

Resolution 17 gives the Directors the power, in certain limited circumstances, to allot equity securities for cash without first being required to offer such shares to the existing shareholders in proportion to their existing holdings. Apart from in connection with rights issues and other pre-emptive offers, the power will be limited to the allotment of equity securities or sale of treasury shares for cash up to an aggregate nominal value of £690.26 (being approximately 5% of the issued ordinary share capital of the Company as at the latest practicable date before publication of this notice). The Directors will have due regard to the Pre-Emption Group's Statement of Principles published on 12 March 2015 (the 'Statement of Principles') in relation to any exercise of this power, in particular to the requirement for advance consultation and explanation before making non-pre-emptive cash issues in excess of 7.5% of the share capital in any rolling three-year period (other than in connection with an acquisition or specified capital investment as described in the Statement of Principles). The authority will expire at the conclusion of the next Annual General Meeting of the Company or 30 June 2020, whichever is earlier.

Resolution 18 gives the Directors additional limited power, in line with guidance issued by the Pre-Emption Group, to allot equity securities for cash without first being required to offer such shares to the existing shareholders in proportion to their existing holdings. The power will be limited to the allotment of equity securities or sale of treasury shares for cash up to an aggregate nominal value of £690.26 (being approximately 5% of the issued ordinary share capital of the Company as at the latest practicable date before publication of this notice) provided that the authority can only be used in connection with the financing or refinancing of an acquisition or specified capital investment (within the meaning given in the Statement of Principles) which is announced contemporaneously with the allotment or has taken place in the preceding six month period and is disclosed in the announcement of the allotment. The Directors will have due regard to the Statement of Principles in relation to any exercise of this power. The authority will expire at the conclusion of the next Annual General Meeting of the Company or 30 June 2020, whichever is earlier.

The authority granted by Resolution 18 would be in addition to the general authority to disapply pre-emption rights under Resolution 17. The maximum nominal value of equity securities which could be allotted if both authorities were used would be £1,380.52, which represents approximately 10% of the issued ordinary share capital of the Company as at 3 April 2019 (being the latest practicable date prior to publication of this circular).

Explanatory Notes to the Notice of Annual General Meeting continued

Resolution 19 – To approve the market purchase of the Company's own shares (special resolution)

A special resolution was also passed at last year's meeting empowering the Directors to purchase the Company's shares in the market. It is proposed that this authority be renewed. The Directors have no present intention of exercising the authority to purchase the Company's Ordinary shares but will keep the matter under review. The power given by the resolution will only be exercised if the Directors are satisfied that any purchase will increase the earnings per share of the ordinary share capital in issue after the purchase and, accordingly, that the purchase is in the interests of shareholders. The Directors will also give careful consideration to gearing levels of the Company and its general financial position. The purchase price would be paid out of distributable profits.

The Act permits certain listed companies to hold shares in treasury, as an alternative to cancelling them, following a purchase of own shares by the company. Shares held in treasury may subsequently be cancelled, sold for cash or used to satisfy share options and share awards under the Company's employees' share schemes.

Once held in treasury, the Company is not entitled to exercise any rights, including the right to attend and vote at meetings in respect of the shares. Further, no dividend or other distribution of the Company's assets may be made to the Company in respect of the treasury shares.

If the Directors exercise the authority conferred by Resolution 19, they may consider holding those shares in treasury, rather than cancelling them. The Directors believe that holding shares in treasury would provide the Company with greater flexibility in the management of its share capital. The Directors will also consider using the treasury shares to satisfy share options/awards under the Company's employees' share schemes.

The maximum number of shares which may be purchased under the proposed authority will be 13,805,154 Ordinary shares representing approximately 10% of the issued ordinary share capital of the Company at 3 April 2019 (being the latest practicable date before the date of this document). The price paid for shares will not be less than the nominal value. The price paid will not be more than the higher of 105% of the average of the middle-market quotation of the Company's Ordinary shares as derived from the London Stock Exchange Daily Official List for the five business days preceding the day on which the shares are purchased and an amount equal to the higher of the price of the last independent trade of an Ordinary share and the highest current independent bid for an Ordinary share on the trading venue where the purchase is carried out.

As at 3 April 2019 (being the latest practicable date prior to the date of this circular), the total number of warrants over or options to subscribe for Ordinary shares that were outstanding was 4,037,790. The proportion of issued ordinary share capital that they represented at that time was 2.92% and the proportion of issued ordinary share capital that they will represent if the full authority to purchase shares (existing and being sought) is used is 3.62%. As at 3 April 2019 the Company did not hold any Ordinary shares treasury.

Resolution 19 will be proposed as a special resolution to provide the Company with the necessary authority to purchase its own shares. If the resolution is passed, the authority will expire at the conclusion of the 2020 Annual General Meeting, or, if earlier, on 30 June 2020, unless renewed before that time.

Resolution 20 – Notice of general meetings other than Annual General Meetings (special resolution)

Under the Act, the notice period required for all general meetings of the Company is 21 clear days. Annual General Meetings will always be held on at least 21 clear days' notice but shareholders can approve a shorter notice period for other general meetings.

At last year's Annual General Meeting shareholders authorised the calling of general meetings (other than an Annual General Meeting) on not less than 14 clear days' notice, and it is proposed that this authority be renewed.

Resolution 20, if passed, authorises the calling of general meetings other than an Annual General Meeting on not less than 14 clear days' notice, and will be effective until the Company's next Annual General Meeting, when it is intended that a similar resolution will be proposed. In order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting. The flexibility offered by this resolution will be used where, taking into account the circumstances, the Directors consider this appropriate in relation to the business to be considered at the meeting and in the interests of the Company and shareholders as a whole.

IMPORTANT NOTES

The following notes explain your general rights as a shareholder and your right to attend and vote at this Annual General Meeting or to appoint someone else to vote on your behalf.

1. Attending the Annual General Meeting in person

If you wish to attend the Annual General Meeting in person, you should arrive at the venue for the Annual General Meeting in good time to allow your attendance to be registered. It is advisable to have some form of identification with you as you may be asked to provide evidence of your identity to the Company's registrar, Link Asset Services (the 'Registrar'), prior to being admitted to the Annual General Meeting.

2. Appointment of proxies

Members are entitled to appoint one or more proxies to exercise all or any of their rights to attend, speak and vote at the Annual General Meeting. A proxy need not be a member of the Company but must attend the Annual General Meeting to represent a member. To be validly appointed, a proxy must be appointed using the procedures set out in these notes and in the notes to the accompanying Form of Proxy. If members wish their proxy to speak on their behalf at the meeting, members will need to appoint their own choice of proxy (not the Chair of the Annual General Meeting) and give their instructions directly to them.

Members can only appoint more than one proxy where each proxy is appointed to exercise rights attached to different shares. Members cannot appoint more than one proxy to exercise the rights attached to the same share(s). If a member wishes to appoint more than one proxy, they should contact the Registrar by telephone on 0871 664 0391 (calls cost 12p per minute plus your phone company's access charge. If you are outside the United Kingdom, call +44 371 664 0391. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9:00am – 5:30pm, Monday to Friday excluding public holidays in England and Wales) or by logging on to <https://www.signalshares.com>.

A member may instruct their proxy to abstain from voting on any resolution to be considered at the Annual General Meeting by marking the 'Vote Withheld' option when appointing their proxy. It should be noted that a vote withheld is not a vote in law and will not be counted in the calculation of the proportion of votes 'For' or 'Against' the resolution.

The appointment of a proxy will not prevent a member from attending the Annual General Meeting and voting in person instead of the proxy if they wish. You must inform the Registrar in writing of any termination of the authority of a proxy.

A person who is not a member of the Company but who has been nominated by a member to enjoy information rights does not have a right to appoint any proxies under the procedures set out in these notes and should read note 10 below.

3. Appointment of a proxy online

As an alternative to appointing a proxy using the Form of Proxy or CREST (as described in notes 4 and 5 below), members can appoint a proxy online at: <https://www.signalshares.com>. In order to appoint a proxy using this website, members will need their Investor Code, which can be found on your share certificate. If for any reason a member does not have this information, they will need to contact the Registrar by telephone on 0871 664 0391 (calls cost 12p per minute plus your phone company's access

charge. If you are outside the United Kingdom, call +44 371 664 0391. Calls outside the United Kingdom will be charged at the applicable international rate. Lines are open between 9:00am – 5:30pm, Monday to Friday excluding public holidays in England and Wales). To be valid, online proxy appointments must be received by the Registrar no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting.

4. Appointment of a proxy using a Form of Proxy

A Form of Proxy for use in connection with the Annual General Meeting is enclosed. To be valid, a Form of Proxy or other instrument appointing a proxy, together with any power of attorney or other authority under which it is signed or a certified copy thereof, must be received by post or (during normal business hours only) by hand by the Registrar at The Registry, 34 Beckenham Road, Beckenham, Kent BR3 4TU no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting.

If you do not have a Form of Proxy and believe that you should have one, or you require additional Forms of Proxy, please contact the Registrar.

5. Appointment of a proxy through CREST

CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so by using the procedures described in the CREST Manual and by logging on to the following website: www.euroclear.com/CREST. CREST personal members or other CREST sponsored members, and those CREST members who have appointed (a) voting service provider(s), should refer to their CREST sponsor or voting service provider(s) who will be able to take the appropriate action on their behalf.

In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a 'CREST Proxy Instruction') must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instruction, as described in the CREST Manual (available by logging in at www.euroclear.com). The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Registrar (ID RAI0) no later than 48 hours (excluding non-working days) before the time of the Annual General Meeting or any adjournment of that meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Application Host) from which the Registrar is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular message. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy instructions.

IMPORTANT NOTES continued

It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed (a) voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting system providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001 (as amended).

6. Appointment of proxy by joint holders

In the case of joint holders, where more than one of the joint holders purports to appoint one or more proxies, only the purported appointment submitted by the most senior holder will be accepted. Seniority shall be determined by the order in which the names of the joint holders stand in the Company's register of members in respect of the joint holding.

7. Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives. Members can only appoint more than one corporate representative where each corporate representative is appointed to exercise rights attached to different shares. Members cannot appoint more than one corporate representative to exercise the rights attached to the same share(s).

8. Entitlement to attend and vote

To be entitled to attend and vote at the Annual General Meeting (and for the purpose of determining the votes they may cast), members must be registered in the Company's register of members at close of business on 31 May 2019 (or, if the Annual General Meeting is adjourned, at close of business on the day two days (excluding non-working days) prior to the adjourned meeting). Changes to the register of members after the relevant deadline will be disregarded in determining the rights of any person to attend and vote at the Annual General Meeting.

9. Votes to be taken by a poll

At the Annual General Meeting all votes will be taken by a poll rather than on a show of hands.

It is intended that the results of the poll votes will be announced to the London Stock Exchange and published on the Company's website following the Annual General Meeting. Poll cards will be issued on registration to those attending the Annual General Meeting.

10. Nominated persons

Any person to whom this notice is sent who is a person nominated under section 146 of the Companies Act 2006 (the 'Act') to enjoy information rights (a 'Nominated Person') may, under an agreement between them and the member by whom they were nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the Annual General Meeting. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, they may, under any such agreement, have a right to give instructions to the member as to the exercise of voting rights.

Nominated Persons are reminded that they should contact the registered holder of their shares (and not the Company) on matters relating to their investments in the Company.

11. Website giving information regarding the Annual General Meeting

Information regarding the Annual General Meeting, including information required by section 311A of the Act, and a copy of this notice of Annual General Meeting is available from www.tggplc.com.

The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the Annual General Meeting includes any statement that the Company has been required under section 527 of the Act to publish on a website.

13. Right to require circulation of proposed resolution

Members satisfying the thresholds in section 338 of the Companies Act 2006 may require the Company to give, to members of the Company entitled to receive notice of the Annual General Meeting, notice of a resolution which those members intend to move (and which may properly be moved) at the Annual General Meeting. A resolution may properly be moved at the Annual General Meeting unless:

- (i) it would, if passed, be ineffective (whether by reason of any inconsistency with any enactment or the Company's constitution or otherwise);
- (ii) it is defamatory of any person; or
- (iii) it is frivolous or vexatious.

A request made pursuant to this right may be in hard copy or electronic form, must identify the resolution of which notice is to be given, must be authenticated by the person(s) making it and must be received by the Company not later than six weeks before the date of the Annual General Meeting.

14. Right to require circulation of proposed resolution

Members satisfying the thresholds in section 338A of the Companies Act 2006 may request the Company to include in the business to be dealt with at the Annual General Meeting any matter (other than a proposed resolution) which may properly be included in the business at the Annual General Meeting. A matter may properly be included in the business at the Annual General Meeting unless:

- (i) it is defamatory of any person; or
- (ii) it is frivolous or vexatious.

A request made pursuant to this right may be in hard copy or electronic form, must identify the matter to be included in the business, must be accompanied by a statement setting out the grounds for the request, must be authenticated by the person(s) making it and must be received by the Company not later than six weeks before the date of the Annual General Meeting.

15. Voting rights

As at 3 April 2019 (being the latest practicable date prior to the publication of this notice) the Company's issued share capital consisted of 138,051,542 Ordinary shares, carrying one vote each. No Ordinary shares are held by the Company in treasury. The Company holds 48,050 non-voting Deferred Ordinary shares of £1 each in treasury. Therefore, the total voting rights in the Company as at 3 April 2019 were 138,051,542 votes.

16. Further questions and communication

Under section 319A of the Act, the Company must cause to be answered any question relating to the business being dealt with at the Annual General Meeting put by a member attending the meeting unless answering the question would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, or the answer has already been given on a website in the form of an answer to a question, or it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.

Members who have any queries about the Annual General Meeting should contact the Company's Registrars, Link Asset Services by email at enquiries@linkgroup.co.uk or by telephone on 0871 664 0391. APPENDIX 1

Summary of the principal terms of The Gym Group Deferred Share Bonus Plan ('DSBP')

Operation

The Remuneration Committee of the Board of directors of the Company (the '**Committee**') will supervise the operation of the DSBP.

Eligibility

Any current or former employee (including an Executive Director) of the Company and any of its subsidiaries will be eligible to participate in the DSBP, at the discretion of the Committee. However, the Committee will make awards under the DSBP only to individuals who may be entitled to receive an annual bonus payment for the preceding financial year of the Company.

Grant of awards

Awards made under the DSBP will be in the form of a deferred right to receive ordinary shares in the Company ('**Shares**').

The Committee may grant an award in one of two forms:

- a) nil or nominal cost options, where a participant can decide when to exercise his/her award over Shares during a limited period of time after it has vested; or
- b) a conditional award, where a participant will receive Shares on the vesting of his/her award.

The Committee may normally grant awards within the period of six weeks following: (i) the date of adoption of the DSBP; (ii) the Company's announcement of its results for any period; (iii) a general meeting of the Company; or (iv) the lifting of restrictions on dealing in Shares that prevented grant of awards under (i), (ii) or (iii). The Committee may also grant awards when there are exceptional circumstances which it considers justifies the granting of awards.

No awards will be granted after the tenth anniversary of the date of adoption of the DSBP.

No payment will be required for the grant of an award. Awards are not transferable (other than to the participant's personal representatives in the event of death). Awards are not pensionable.

Individual limit

The maximum number of Shares that may be awarded to a participant in any financial year will be limited to a proportion of the individual's total annual bonus outcome for the preceding financial year. The proportion of bonus outcome that is deferred into a DSBP award will be determined by the Committee from time to time.

For the duration of the Directors' remuneration policy proposed for approval at the 2019 AGM, any annual bonus outcomes for Executive Directors in excess of 75% of base salary will be deferred into awards granted under the DSBP.

Overall DSBP limits

The DSBP may operate over new issue Shares, treasury Shares or Shares purchased in the market.

In any ten year period, the Company may not issue (or have the possibility to issue) more than:

- a) 10% of the issued ordinary share capital of the Company in respect of awards made in that period under the DSBP and any other employee share scheme adopted by the Company; and
- b) 5% of the issued ordinary share capital of the Company in respect of awards made in that period under the DSBP and any other discretionary share plan adopted by the Company.

Treasury Shares will count as new issue Shares for the purposes of these limits but they will also cease to count towards these limits if institutional investor bodies decide that they need not count.

These limits do not include:

- any rights to Shares which have been released or lapsed; or
- any Shares subject to awards that were granted on or before 9 November 2015, being the date of the Company's admission to listing.

Vesting of awards

Awards will normally vest at the end of a two year period and provided the participant is still a director or employee in the Company's group.

The Committee may allow awards to be settled in cash (in whole or in part) where it is appropriate to do so (but would normally do so only if required to comply with non-UK legal requirements).

Leaving employment

As a general rule, if a participant leaves employment with the Company's group he will retain his award, which will vest on the normal vesting date with no acceleration of vesting. However, in exceptional cases, the Committee may, at its discretion, permit or require awards to vest at the time of cessation of employment. If the reason for such cessation is the individual's misconduct, his award will lapse.

On the death of a participant, an award shall vest immediately and an award in the form of an option will be exercisable for a period of 12 months from his/her death.

As is normal for deferred bonus plans, DSBP awards held by a leaver are not subject to pro-rata reductions (the rationale being that the awards have already been subject to performance vesting requirements in the annual bonus year, and the DSBP is accordingly a mechanism for the deferral of part of the achieved annual bonus outcomes).

Corporate events

In the event of a takeover, scheme of arrangement, or winding up of the Company (not being an internal corporate reorganisation), all awards will normally vest early at the time of the event. Awards may also vest on the same basis if a demerger, special dividend or other similar event is proposed which, in the opinion of the Committee, would affect the market price of the Shares to a material extent.

In the event of an internal corporate reorganisation, awards will be replaced by equivalent new awards over shares in a new holding company.

Participants' rights

DSBP awards will not confer any shareholder rights on participants until the awards have vested and the participants have received their Shares.

The number of Shares comprised in an award will be increased in respect of an amount equivalent to the dividends that would have been paid on the Shares vesting under the awards between the time when the awards were granted and the time when they vest. In exceptional circumstances only, the Committee may determine that any additional Shares in respect of dividends that would have been paid on the Shares vesting under the awards, can instead be paid in cash.

Rights attaching to Shares

Any Shares allotted when an award vests (or for an award structured as an option, when it is exercised) will rank equally with all other Shares then in issue (except for rights arising by reference to a record date prior to their allotment).

Variation of capital

In the event of any variation of the Company's share capital, or in the event of a demerger, special dividend or other event having a material impact on the value of the Shares, the Committee may make such adjustments as it considers appropriate to the number of Shares subject to an award.

Malus and clawback

The Committee retains a power to recoup the value of unvested and previously vested awards from an individual either before vesting or within a period of 3 years from the date of vesting of an award, if it considers it appropriate to do so. The Committee may choose to exercise this power in the following circumstances:

- the Company materially misstated its financial results for any reason and that misstatement would result or resulted either directly or indirectly in an award being granted or vesting to a greater extent than would have been the case had that misstatement not been made;
- the extent to which any performance condition, relating to an annual bonus to which a DSBP award relates, was satisfied was based on an error, or on inaccurate or misleading information or assumptions which resulted either directly or indirectly in an award being granted or vesting to a greater extent than would have been the case had that error not been made;
- circumstances arose (or continued to arise) during the vesting period of an award which would have warranted the summary dismissal of the participant; or
- there is a sufficiently significant impact on the reputation of any company in the Company's group (including a company failure).

APPENDIX 1 continued

Alterations to the DSBP

The Committee may, at any time, alter the provisions of the DSBP in any respect, provided that the prior approval of shareholders must be obtained for any alterations that are in respect of the rules governing eligibility, limits on participation, the overall limits on the issue of Shares or the transfer of Shares held in treasury, the basis for determining a participant's entitlement to, and the terms of, the Shares or cash to be provided under the DSBP and the adjustment of awards.

The requirement to obtain the prior approval of shareholders will not, however, apply to any minor alteration made to benefit the administration of the DSBP, to take account of a change in legislation or to obtain or maintain favourable tax, exchange control or regulatory treatment for participants or for any company in the Company's group.

If the proposed alterations are to the material disadvantage of participants the Board must invite participants to indicate if they approve the alterations and if so the alterations must be approved by a majority of the participants that respond.

Overseas plans

The Committee may at any time, without further shareholder approval, establish further plans in overseas territories, any such plan to be similar to the DSBP, but modified to take account of local tax, exchange control or securities laws, provided that any shares made available under such plans will count towards the individual and overall limits on participation in the DSBP.
